# 川

Awakening mind…

That which is conscious…

For the good of sentience.

Yoso

Thank you, Japan

I ventured on the Soul's Journey,
You offered me a home, a refuge, a family.
You offered me a rebirth.

Ever grateful, it is my turn to express your beauty to the world.

Yoso

To Yuko

Thank you for always being by my side.
With you, my heart flows like a calm river.

A QUIET SEA OF ABSTRACTION

Before reaching the shore,
in the quiet sea of abstraction;
seize the mind.

Yoso

SUBMISSIVENESS

Submissiveness,
alien to the shining soul,
breathing union is.

Yoso

PRESENT, MINDFUL NOW

Present, mindful now.
Peaceful heart, a quiet mind.
Harmony's embrace.

Yoso

BOUNDLESS

Hands in prayer,
I bow respectfully to each cell in my body,
and to the life in you.

Yoso

## WIND'S NATURAL SOUL

Wind's natural soul…
Leading me into the unknown…
Transcendental flow.

Yoso

First love, then form.

Yoso

TO FEEL WITH OPENED EYES

To feel with opened eyes,
to listen with the heart,
to speak with truth.

Yoso

## SPRING ENERGY

Spring energy,
blessing our hearts with auspicious light.
Each blossom, a vow of harmony.
With gratitude, I am humbled by your transience.

Yoso

## BREATHE IN

Breathe in…
Breathe out…
The energy that connects all forms…
Infinite chains of chemical reactions…
Trillions of cells living within…
What am I?

Yoso

KIND LOVING LOVE

Kind loving love,
Kind loving love,
Kind loving love.

Yoso

THE VOW

With each blossom,
I vow to dedicate myself to the prosperity and harmony
of sentience.

Yoso

THE OTHER

Heal yourself to heal others,
heal others to heal yourself.
There is no other.

Yoso

I SURRENDER TO THE FLOW

I surrender to the flow…
Reaching the depths of my heart…
Union's Embrace.

Yoso

## DEATH IS CLEMENCY

There is no greater shock in life than birth,
unable to survive alone,
we invest in independence.
Death is clemency.

Yoso

ENDURING WISDOM

Life itself is the knowledge!
Eternal wisdom,
if only we listened.

Yoso

FLIRT

Existence itself…
Flirting with death…
There is no presence without breath.

Yoso

MODERN TIMES

Scanning for knowledge,
seeking distractions,
fearing impulse.

Yoso

ONE

Becoming One.
Being One.
All is One.

Yoso

DO NOT

Do not love Love,
be love,
simply love.

Yoso

THE SPRING AWAKES

The spring awakens,
golden heart,
pure Consciousness.

Yoso

Your mind is your home.
Bring it light,
bring it air,
bring it love,
bring it you.

Yoso

A VOICE

Finally, a voice.
All is light,
To those who awake.

Yoso

DO NOT JUDGE

Do not judge your experiences,
union of presence, past and future;
All there is is now.

Yoso

## WHAT IS THE TIME

There is a time in the day,
when the sun watches the moon;
What is the time?

Yoso

ABOVE KNOWLEDGE

Above knowledge, integrity,
beyond judgement,
awakening.

Yoso

Fragments of consciousness?
Breathing harmony.

Yoso

SHADOWS

The light reveals the shadows of the ego.

Yoso

The space between thoughts,
the gap between each breath.
Closer to death.

Yoso

THE BOW

The gift of essence,
that honours your presence.

Yoso

HARVEST MOON

Harvest moon,
bright in the East,
before dawn, a cold wind.

Yoso

INTENTION

Cultivate intention,
as seeds that feed your imagination.

Yoso

Y O S O

I dedicate my breath and artistic practice to the cultivation of mind and conscience.
Wishing you light and prosperity.
